

ANDREAS' TIPS

"Travel is about the gorgeous feeling of teetering in the unknown." That's not me—it's Anthony Bourdain. **A cliché, maybe, but true.** My tips will help turn that unknown into something exciting, making your time in Athens seamless, memorable, and full of discovery.

Greek Tavernas:

- **Oikonimou:** super traditional Greek restaurant. Recommend the rabbit stew now that it's cold. *Kidantidon 32, Athina 118 51*
- **Andreas Restaurant:** (no this is not a sponsored post) Andreas is very common name in Greece it also happens to be a very good seafood restaurant in Exarhia. *Themistokleous 18, Athina 106 78*
- **Rozalia taberna:** in exarhia (more lowkey and great slouvaki). *Valtetsiou 59, Athina 106 81*
- **Ouzeria tou laki:** (Ouzeria is a restaurant specialised in Ouzo and they also have excellent fish and mezzes aka Greek tapas) *Elpidos 16, Athina 104 34*
- **Ouzeri Lesvos:** *Emmanouil Benaki 38, Athina 106 78*

Museums & Wine

- **National Archaeological Museum:** The best museum in Athens, in my humble opinion. Right now, entry is only €6 due to the low season—not as steep as the Acropolis Museum (€20). *28is Oktovriou 44, Athina 106 82*
- **National Gallery:** Another excellent cultural stop. Entry is €10. *Leof. Vasileos Konstantinou 50, Athina 115 25*
- **Materia Prima:** If you want a really good wine tasting after soaking in so much culture, this is a great spot. It's pricier but worth it. *Pi. Mesologgiou 3, Athina 116 34*
- **Tanini Agapi Mou:** A must if you're into natural wine. *91 Ippokratous &, Methonis str, Athina 106 80*
- **Lou:** A more edgy option. The owner, Ulash, a former Turkish pirate (yes, really), ran a boat in Santorini for ten years before opening this wine bar in Monastiraki. *Chavriou 1, Athina 105 62*

Romantic Restaurants (from affordable to pricier)

- **Seychelles:** Located in Keramikos, with a playground nearby for kids. *Keramikou 49, Athina 104 36*
- **Ton Filón:** Also in Keramikos, featuring a charming garden. *Argous 66, Athina 104 41*
- **Manera Taverna:** A cozy, romantic spot. *Pi. Agion Theodoron 3, Athina 105 61*
- **Linou Soumpasis kai Sia:** A modern Greek cuisine spot where a reservation is probably needed. *Μελανθίου 2, Αθήνα 105 54 &, Kalamida 9, Athina 105 54*

All these options offer Greek cuisine with a creative twist.

Where to Listen to Rebetiko:

- **Imeros:** For heart-wrenching, melancholic Greek music. *Leof. Alexandras 2, Athina 106 82*
- **Chamam:** Live music with a mercurial timetable—things will get rowdy here. [Google Maps Link](#)
